Re: Corporate Sponsorship for Nov 19th Dinner & Dance for Angels.

Since 2000, a group of local volunteers joined together to form Angels in Action, an organization of ovarian cancer survivors, their families and friends. In partnership with the Ottawa Regional Cancer Foundation, our mission is to:

- Honour women and their families who have been affected by ovarian cancer
- Increase community awareness and early diagnosis of ovarian cancer; and
- Raise funds to support ovarian cancer research and improved patient care in Ottawa and the Region

In 2009, Ottawa City Council proclaimed June 24th as Angels in Action Day in the City of Ottawa in recognition of our efforts to raise awareness of ovarian cancer. A second proclamation was made on September 10, 2009 declaring September 'Ovarian Cancer Awareness month' in the City of Ottawa, to honour those affected by ovarian cancer and their health care providers. These recent events have raised community awareness throughout Ottawa and the region.

Angels in Action is seeking corporate sponsorship to reach our 2010 fundraising goal of \$55,000. Your financial support will assist with:

- Clinical trial infrastructures and services that allow the Ottawa Hospital to offer cutting edge treatments and easy local access to their patients
- Funding for a patient-care initiative, specifically a patient diary and health record
- Laboratory research initiatives including: support for ovarian cancer tissue bank, screening novel biomarkers for ovarian cancer, and pre-clinical evaluation of a combination treatment therapy

Angels in Action gratefully thanks you in advance for your organization's contribution to our fundraising efforts. If you wish to purchase additional tickets to our November 19th event, over and above the sponsorship package allocation, please contact Linda Laframboise by phone or email.

Please email advising us of your selected sponsorship level. We are eager to begin our event advertising with your corporate logo in place. Please make cheques payable to "Angels in Action" and mail to the address noted above.

Yours truly,

Linda Laframboise, Chair
Angels in Action
